ALL OVER BEAUTY

Newsletter - February 2010

Belated but Happy New Year wishes to you all.

What a winter it has turned out to be! The snow and winds have caused havoc, not only with getting out and about but with our skin! Clients have been complaining of redness, flakiness, dull and tired looking skin, spots and breakouts.

With that in mind, I have put together some great treatment and product offers that should really help and prove a great investment. So resist those sale bargains and treat yourself and your skin to some real pampering.

This time of year I can sympathise with those who suffer winter blues and after a quite stressful couple of years we could all do with some chill-out-time. I love running my workshops despite the hard work, but I am well rewarded with all the positive and wonderful comments from those who have attended. So why not treat yourself, a friend, or even Mum for a Mother's Day gift. Look for details below.

Eleanor from Muscle Dynamics has now settled in well and she's doing a great job. So if you have any muscle or joint problems, pain that needs sorting or just want those muscles to relax and to prevent injury, please remember Eleanor is here every Wednesday. Give her a call on 07968 823221.

Coming soon...

- New products from Bare Escentuals and new Spring colours.
- Treatment sprays for over/under Youngblood make-up.
- A fantastic jewellery range from Dyrberg Kern. Offering stylish high quality pieces to suit all seasons and styles. Currently available at Lance James Chelmsford, Shelleys Billericay, John Lewis Bluewater and soon at All Over Beauty! Look out for introductory special offers in the salon. Meanwhile, if you want to see how beautiful it is look at their [website](#)

I would especially like to thank those clients who passed on recommendations and referred new clients to me, or who have taken time to give me testimonials on the internet. A big thank you!

In return for your support I remain committed to working hard to maintain high quality and service, to advance and improve products, treatments and training so that my clients can enjoy all the benefits of such diversity within a still very personal and relaxing environment.

Here's to a great 2010 for everyone!
